My Advanced Care Plan

Name: ______________________________ **Date of birth:** ____________________

Address:______________________________ **Date completed:** ____________________

- I have thought about what medical treatment will mean for me and have discussed it with my family, caregivers, and medical practitioners.
- This plan reflects my wishes and details my goals for my treatment and care.
- If I am unable to speak for myself, I have nominated someone to speak on my behalf.

Name of Substitute Decision Maker: (This should be your Power of Attorney for Personal Care if you have one designated) ______________________________

Phone number(s) of Substitute Decision Maker: ______________________________

- Please use this plan to inform how I want to be treated if I can't do so myself.

In addition to this Advance Care Plan, I have also completed an:

Advance Health Directive or Living Will. A copy can be obtained from:

____

I would like to leave the following special message

This is a special message for:

____

____

When I am dying, where possible, I would prefer to be cared for at:

*Initial the **ONE** option you prefer:*

__________ My usual home
__________ A family member's home (specify who) ________________________________
__________ In hospital
__________ Other place (specify where) ____
__________ Undecided

When I am dying, where possible, I would like the following:

*Initial **ALL** the option(s) you prefer:*

__________ Palliative Care (manage my physical, emotional and spiritual needs at end of life)
__________ Stop medications and medical interventions which do not add to my comfort
__________ Cultural/Spiritual practices important to me e.g. _____________________________________
__________ Complementary and alternative therapies e.g. _________________________________
__________I would like to discuss if Medical Assistance in Dying is an option for me

If I become seriously ill, I would like the following life prolonging or comfort measures (see Reference Guide for definitions), if possible:

*Initial the **ONE** option you prefer:*

__________ Full resuscitation to prolong my life (this includes (CPR/defibrillation), and intubation/ventilation)** (WMGH Level 5)

__________ Intubation/ventilation if my breathing becomes too hard, but no CPR/defibrillation** (WMGH Level 4)

__________ Therapy to support my breathing but not intubation/ventilation or CPR/defibrillation** (WMGH Level 3)

__________ Medical therapy and surgical therapy (may involve transfer to another hospital) but no intubation/ventilation or CPR/defibrillation** (WMGH Level 2)

__________ Medical therapy that can be done in my home community/community hospital but no intubation/ventilation or CPR/defibrillation and no transfer to other hospitals** (WMGH Level 1b)

__________Allow me to have a natural death and provide comfort measures (WMGH Level 1a)

** I understand that if the physician who assesses me at the time determines that possible treatments are likely to be futile (not meaningfully improve my care or life), they may choose not to offer those treatments.

I have given a copy of my Advance Care Plan to:
