Continue to walk down Stevens Ave until you reach the second tunnel. Walk down Hemlo Drive all the way to Peninsula Road until you reach the Post Office again. Walkers can access this trail from any point in town and follow the same path back to their starting location

Time to Walk: ~ 40 mins

Length: 4.4 kms

This trail consists mainly of sidewalks. There are several public benches and parks along the route for those who need breaks. Some inclines can also be found on the path.

Access: Post Office. Parking available across the street at the museum.
